

VERSION 1

VERSION 2

Technical data:

- Voltage range 12V-24V
- Approval: EMC, ECE
- Water resistance: IP 66/68
- Crash resistance lens made from PC
- Body ABS black or PC black
- Weight of lamp 600g
- lifetime of the LEDs approximately to 50 000 hours of continuous operation
- Easy to install

Connection options:

- 2m long cable YLY-S
- 5-pin connector (compatible with Aspoeck)
- 7-pin connector
